About Us

Situated above the Mid Wales coastal town, Clwb Golff Aberystwyth Golf Club is blessed with stunning views over Cardigan Bay. From Snowdonia and the Llyn Peninsula to the Preseli Mountains in Pembrokeshire, there is hardly a comparable view from any golf course, anywhere.

Aberystwyth was one of the courses designed by the legendary six times Open Champion, Harry Vardon, an all-time 'golfing great'. It is probably his most spectacular in terms of views and it has stood the golfing test of time.
